SUMMARY

What I am looking for...

I am looking for Front End Position. I am open to learning new programming languages and new technologies. Lately, I have been working with Next.js, React.js, and TailwindCSS. My strongest technologies are Next.js, React.js, and generally speaking JavaScript/TypeScript as core tech stacks

SKILLS

- NextJS
- ReactJS
- JavaScript
- jQuery
- TypeScript
- MongoDB
- Tailwind CSS
- Bootstrap
- CSS3
- MySQL
- Photoshop

WORK EXPERIENCE

09/2021 – 02/2023

Frontend Developer

Sponex LLC, Kosovo

Worked closely with a team to meet project requirements, goals, and desired functionality. Brought mock-up design to life using HTML, Tailwind, React.js or Next.js, eCommerce, and 3D projects (three.js). Managed website development projects from initial design through completion, optimizing all cross-browser and multi-platform compatibility. Used source control tools GitHub for sharing the project code.

02/2021 – 03/2022

Product Manager/ Seo Specialist - Remote Part-time

Bestseller-shop.ch, Switzerland

Worked as Product Manager: Managed product designs, and stock quantities and published them. Worked as SEO specialist: adding keywords for the product. I used the Seobility.net tool to find SEO issues with the website. Fixed most of the issues.
